Memoirs of Napoleon

In Three Volumes

This man caused the last general European war.

His personal memoirs, written by his secretary, Baron De Meneval, are full of the most absorbing incidents, especially in view of the present great European struggle.

Just a hundred years ago, his ambitions bathed the Continent in a sea of blood. France alone, under his leadership, fought Germany, Russia, Austria, Italy, and Great Britain—and won.

Get these Memoirs Free

By special arrangement with the publishers of COLLIER'S, The National Weekly, we are enabled to offer a limited number of these three-volume sets of the Memoirs of Napoleon free with a year's subscription to Collier's and this paper. The offer is strictly limited—to get advantage of it you must act promptly.

Sherlock Holmes Stories
 Exclusively in Collier's

The "Last-minute" pictures of the European War will appear every week in the photographic section of Collier's.

Mark Sullivan's timely editorials and widely quoted comments on Congress will continue to be an exclusive feature.
